

INTRODUCING THE REVOLUTIONARY

POWERPLANT

BY **HARDCORE**

**A RECHARGEABLE LITHIUM
BATTERY PACK THAT WORKS ON
ALL TRAIL CAMERAS!**

Never buy another disposable battery! The Powerplant runs any trail camera, with no batteries inside and no matter the voltage. Mounts next to your camera, just plug it in, select the voltage, and go! Lasts 2+ times longer (per charge) than batteries and is good for over 800 charges. Retail for \$139.99
